- ✓ Provide up to date information to our staff and pupils on the Public Health advice issued by the HSE and Gov.ie
- ✓ Display information on the signs and symptoms of COVID-19 and correct handwashing techniques
- ✓ Agree with staff, a worker representative who is easily identifiable to carry out the role outlined in this plan
- ✓ Inform all staff and pupils of essential hygiene and respiratory etiquette and physical distancing requirements
- ✓ Adapt the school to facilitate physical distancing as appropriate in line with the guidance and direction of the Department of Education
- ✓ Keep a contact log to help with contact tracing
- ✓ Ensure staff engage with the induction / familiarisation briefing provided by the Department of Education
- ✓ Implement the agreed procedures to be followed in the event of someone showing symptoms of COVID-19 while at school
- ✓ Provide instructions for staff and pupils to follow if they develop signs and symptoms of COVID-19 during school time
- ✓ Implement cleaning in line with Department of Education advice
- ✓ All school staff will be consulted on an ongoing basis and feedback is encouraged on any concerns, issues or suggestions.
