

Values at Davyhulme Primary School

October 2026 newsletter

This month's value is
Respect

This month we will start by learning what respect is and how we can show our respect for other people as well as things. We will move on to look at why manners are important in everyday life and how we should use them. We will discuss how we should respect our property at home and at school, as well as respecting the education we receive at school and compare it to those who may not be so lucky.

Respect and Trust

The two easiest things in life for someone to lose and the hardest things to get back.
