

Friday 8th March

Celebrate someone special

The PTA will be celebrating the significant people in our life with our **Someone Special** stall on Friday 8th March.

The shop will be available for children only and there will be 2 stalls running (Infants & Juniors) in the morning. Each class will have the chance to visit the stall during the morning.

There will be a range of gifts available and there will be one of each type on display so the children can see what they are buying - with prices ranging from 50p - £3.

If your child would like to purchase a gift, please ensure that their money is in a sealed envelope with their name and class on it and that they have it with them on Friday 8th March.
