

# Introducing the Teach Hub & Home Learning Hub

## Teach Hub

Teach Hub is our free online library of classroom resources created by teachers for teachers.

Our team have produced a range of high-quality lesson plans, PowerPoints, videos and worksheets for you to use in your classroom. Just click the button, download your chosen resource and once your lesson is over let us know if there is anything we can do to help you further or improve the experience.

To access the Teach Hub, just follow the simple steps below:

Open a web browser on your desktop computer or laptop e.g. Chrome, Safari etc.

Type the web address or click the link below: [www.oursaferschools.co.uk/teachhub](http://www.oursaferschools.co.uk/teachhub)  
You will be asked to enter a licence number

Use the blue chatbot to speak to a member of our Safer Schools team and request your licence number

Alternatively, you can call **028 9600 5777** or email [saferschools@ineqe.com](mailto:saferschools@ineqe.com) to request your licence number for Teach Hub

## Home Learning Hub

Home Learning Hub is our free library of resources to support parents and carers in educating their children on staying safer in a digital world.

We have adapted our classroom-based resources to make them accessible for parents and carers. Read the brief description below each lesson which describes what this resource is, then simply click on the "download" buttons to access each resource.

To access the Home Learning Hub, just follow the simple steps below:

Open a web browser on your desktop computer or laptop e.g. Chrome, Safari etc.

Type the web address or click the link below: [www.oursaferschools.co.uk/home-learning-hub](http://www.oursaferschools.co.uk/home-learning-hub) and hit return and this will take you to our home page.
