Dear Colleagues

Building on the Department's commitment to share information and advice in relation to Child Protection and Safeguarding matters, I would draw your attention to the enclosed leaflet produced by the Safeguarding Board NI on 'Sexting and the Law'.

This provides practical advice and guidance for Principals, Boards of Governors and School Staff on the issue of Sexting and the legal position surrounding it.

Please bring this to the attention of relevant staff in your organisation.

Yours faithfully

ANGELA KANE
