5th January 2023

Dear Parent,

As you are aware, we are scheduled to go to the Grand Opera House on Friday 6th January to see this year's production of "Cinderella."

On the morning of Friday 6th January pupils should come to school for 11.00am before departing for Belfast at approximately 11.45am. If you wish for your child to eat a snack/ packed lunch before departing, please bring this into school and there will be opportunity to eat this in school. There will be no dinners or snacks served in school on this day. We also recommend that your child brings any sweets or snacks with them to enjoy during the performance. There will be no opportunity to visit the shop on arrival.

All pupils must be in their full school uniform and not in their PE uniform.

We shall return to the school at approximately 4.45pm. A message will issue via the school website to confirm timings. Please leave the Windmill Hill free for the buses to park upon our return. As the children will be dismissed only from the school gym, please do not intercept the children in the car park but rather go to the gym and await the children.

Thank you for your continued support.

Yours sincerely

Mr Gilchrist
Principal
