

Advice Clinics

with Speech and Language Therapists (SLT)

Are you worried about your child's speech and language development?

Would you like to talk to a speech and language therapist for a short appointment to get some advice and/ or find out if your child needs a referral to SLT?

Who?

- Children living in the Dublin North City area **only** can access the clinics
- This service is not for children who are already referred to other multidisciplinary team services e.g. Community Disability Network Team (CDNT); Child & Adolescent Mental Health (CAMHS)

When?

- **Last Wednesday** of every month
- **9.30am – 12.30pm** (last appointment at 12.00pm)

Where?

Speech and Language Therapists from each of our clinics will have time to talk about your child's communication. Please contact your **local health centre only**.

- Ballymun Health Care Facility, 1st Floor Civic Centre, Ballymun, D9 ; **0873599625**
- Summerhill Primary Care Centre, 45 – 65 Summerhill, D1; **087 1783444**
- North Strand Health Centre, North Strand, D1; **086 7810403**
- Vernon Avenue Health Centre, Clontarf, D3; **087 2807441**

How?

Text your name and address to the number for your local clinic

OR

Email your name and address to slt.dnc@hse.ie to book an appointment time

- We will text/ email you back to confirm that you have an appointment and tell you your day & time.
- Please text or email your **local** clinic- please do not contact all 3 clinics!
- We will have one therapist at each clinic and will do our best to fit you in that morning. In the event that this is not possible, we can offer you a time at the next clinic.
