Cadoo:

Bealach níos fearr! Smarter Messaging for Schools

A thuismitheoir/chaomhnóir,

Tugtar cuireadh do thuismitheoirí/chaomhnóirí App a íoslódáil a bhaineann le téacsanna guthán a sheoladh. **Cadoo** is ainm don App. Níl aon chostas ar seo, díreach go dtéann tú isteach ar an 'APP store' chun é a íoslódáil. Beidh an scoil in ann téacsanna a sheoladh chuig thuismitheoirí/chaomhnóirí saor in aisce tríd an App 'Cadoo' a úsáid.

Seolfar téacs le nasc amach amárach do thuismitheoirí/chaomhnóirí ag tabhairt cuireadh dóibh an App 'Cadoo' a íoslódáil. Munar féidir an App seo a íoslódáil, gheobhaidh gach thuismitheoir téacs ar an gcaoi céanna (tríd SMS) is a bhfaigheann siad i láthair na huaire ar aon nós.

Iarraimid ar thuismitheoirí/chaomhnóirí tacú le seo. Is céim eile é seo i dtreo na costaisí ar fad atá le n-íoc ag an scoil a laighdiú.

Le dea-mhéin,

Liam Breathnach (P.O)

Dear parent/guardian,

*GSNP are inviting parents/guardians of children in the school to download a Text Messaging App titled **Cadoo** to their phones. Cadoo is a mobile application that enables schools to message parents for free! Any parents with Cadoo Messenger installed will receive their school correspondence through the app. Parents who are currently unable to download the App will continue to receive their messages via SMS.*

A text message will be sent out to all main guardians tomorrow from the school, inviting them to download the app. There will be a link included for Cadoo. We ask all those who can, to download this App.

Gaelscoil Naomh Pádraig hope to make significant savings with the implementation of this new messaging service. It is another small step in attempting to reduce school expenditure.

Kind Regards,

Liam Breathnach (P.O)
