Issue No.31

The Year 2020

Returning to School

We cannot (but must) wait to have our pupils back in school. We are working hard behind the scenes to make preparations for not only keeping our pupils safe on return but also ensuring that school continues to be a happy environment where children enjoy their learning. So please do not worry about some of the negative press and social media out there and remember that every day is a step closer to getting back to school!

Stars of the Week

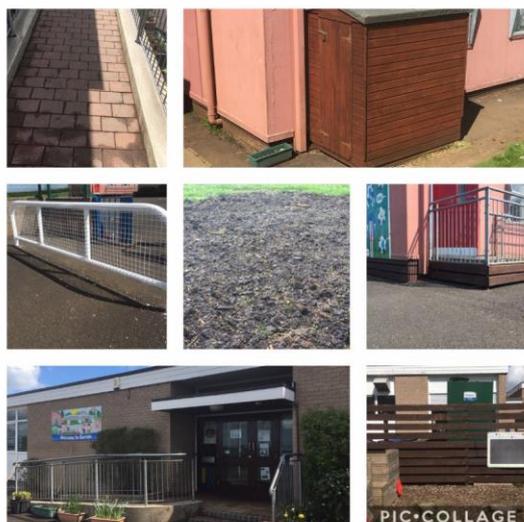

You are all stars! These pupils are receiving a special award this week.

Primary 1/2 – **Sam** for mastering seesaw and working so hard. **Lana** for reading a lovely series of books with her mum.

Primary 3/4 – **Darcy** for excellent work with Gorran Olympics. **Bradley** for consistently working hard all week.

Primary 5/6 – **Ruby** for excellent fire safety poster. **Jay** for excellent use of adjectives in his story. **Karis** for super work on bees for forest school. **RACHEL** for a great pirate treasure map.

Primary 7 – **Robert** for working hard in his home learning workbooks. **Zara** for a great PowerPoint on Amelia Earhart.

Outdoor Space

At Gorran, outdoor learning will form a significant part of our planned return to school. We have taken the opportunity over the last few weeks to make some improvements to the grounds and building and have some exciting plans which we can hopefully put in place over the summer. We have attached a list of items we would love to 'get our hands on'.

If you can help with any, please contact the school and we can arrange how to get them to school when restrictions allow.

Zoom

Most classes have been able to use 'Zoom' to meet up and say hello. We have no immediate plans to use this platform for specific teaching. However, in preparation for Zoom being used more regularly, we have come up with a short set of guidelines/policy to ensure everyone is kept safe. This policy has been attached and any comments or questions can be sent to the school email.

Eurovision

Spare a thought for the World's biggest Eurovision fans, Mr and Mrs F, who were due to be jetting off to Rotterdam to watch Eurovision. I wonder will there be some Eurovision flare in this week's Friday dance?

Devices for Home Learning

We were delighted to be able to provide a few devices to those who were finding online learning a challenge. If anyone requires help, please email school and we will do our best.

Lexia Certificates

Congratulations Amy, Sophia, Thomas A, Zara and Amira for completing the next level in Lexia.

Mystery Staff Member #7

Can you guess this week's mystery staff member?

1. Has completed a marathon.
2. Had a three legged dog.
3. Has a metal plate in their arm.
4. And loves reading 'Travel Books'.

Who could it be?

Last week's Mystery Staff

Who had a Huskie driving license, grew up in a hotel, loves horses and their mum is from the Falklands. It was of course.... Mrs Morrell!
