

### Dinners

It couldn't be time to cook again!!

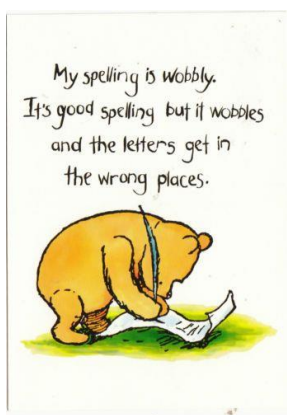

# Gorran News

**Issue No.30**

It's definitely 2020!

### Home Learning - Have your say

Teachers are continuing to work together, developing their ICT skills to deliver the best possible home learning experience. (We have even mastered the 'Zoom meeting'). No one knows what the future will hold but it does look like some form of home learning will be around for a while. Therefore, we want to evaluate how it is all going and make any tweaks and changes necessary to continue to improve. Please take a few minutes to complete this online survey about home learning. Thank you in advance.

### Answer

Who loves Christmas, favourite city is London, had a dog called Millie and enjoys making buns? It was ..... Mrs Small!! Did anyone get it right??

### Stars of the Week

Primary 1/2 – **Anna-Mae** for her beautiful hand print animals! **Laura** for her fantastic weekend news work!

Primary 3/4 – **Sam S, Sophia and Harry** –for making delicious smoothies. **Sam H** – for using pizza to show fifths.

Primary 5/6 – **Carys** – for beautiful clear explanations. **Mollie** for consistent high standard of work.

Primary 7 – **Graeme and Cobh** – for a brilliant artwork 'Van Gogh's Starry Night'. **Oliver M** – for being really creative with his home learning.

### Mystery Staff Member #5

Can you guess this week's mystery staff member?

1. They love reading books.
  2. Their favourite colour is green.
  3. They are building a house on a hill.
  4. They love climbing mountains.
- Who could it be?

### Grants for Gorran PS

We are delighted to receive a grant of £500 from the Ernest Cook Trust for purchasing outdoor clothing. The weather never really held us back in Gorran, but with our new wet gear there will be no stopping us!

We are starting to see the benefits of the work completed on the pond and the willow dome. This was made possible thanks to a grant from the NFU Mutual. We were delighted to appear in their 'Responsible Business Report 2019'

### New Pond Life

We have spotted these new living (and moving) creatures in our pond. But what could they be?

### Access to technology

Is the number of suitable devices in your house or poor Wi-Fi holding you back? If so, please get in contact with us. We cannot promise to solve all the problems, but we would certainly like to try. Get in contact by ringing the office and leaving a message or emailing [gorranps@gmail.com](mailto:gorranps@gmail.com)

### A message of thanks

From Claire at the Northern Health and Social Care Trust. "On behalf of the team could you please pass on our thanks to the children that took the time to draw such beautiful pictures.

The pictures are inspiring and cheer up the team every day coming into the building. We will treasure the pictures and appreciate the children taking time to draw lovely colourful pictures. My kindest regards to all those involved."
