Home Learning

We have tried to make a few small changes to our online teaching to help support families. We hope that you enjoyed Work together Wednesdays and we loved hearing your amazing stories. As school was due to be closed Monday – Wednesday next week, we have decided to give everyone a well-earned break for all of next week. We will look forward to picking up online learning again on Monday 1st June.

Stars of the Week

Primary 1/2 – **Elsie, Josie and Noah** for their continued and constant hard work at home.

Primary 3/4 – **Lyla, Christie and John** – for excellent family stories.

Primary 5/6 – **Rhys** – for his story about Stig. **Carys** for amazing story telling.

Kora – super work in her maths.

Primary 7 – **Max** – for super work in maths. **Emily** for wonderful creativity.

Matthew for super independent work this week.

School Uniform Day

We have been asked to join in a fun initiative to raise money for NHS charities. 'School uniform day' on 29th May. Simply put on your school uniform, donate £2 to NHS charities and post your photos.

Word Millionaire

Gorran has its first millionaire!! (Well, first word millionaire.) Congratulations to Sam who has read over one million words on AR this year. An amazing achievement. When we 'caught up' with Sam he told us that his favourite book collection is Roald Dahl. He loves to read anywhere quiet, usually his bedroom or in the garden. His top tips for reading are "Read the blurbs of books and pick one you think is exciting. When you start your book, let your imagination run wild!"

Everyone in P4 and up has access to AR. If you are having difficulty logging on, message your teacher on seesaw and we can send you a link.

Pond Life

The tadpoles have legs!! Both those in the pond and in our tadpole nursery are doing well and have all grown their back legs. We are looking forward to finding them hopping around in Mrs Parkhill's room.

- Who could it be??

Mystery Staff member revealed

Last week's mystery staff member who has completed a marathon, owned a three legged dog, has a metal plate in their arm and likes reading travel books is... Mr Cleland.

Outdoor Space

Thank you for the offers of outdoor resources we have received so far. There are still a number of items we are keen to source. Work has started on a new outdoor shelter and we have some fantastic plans to revamp and revitalise the welly woods. It is our aim to have this outdoor learning space ready for our pupils to explore when they return to school in August.
