Summer is here!

School Uniform Day

Tomorrow (29th May) we are asking children to put on their school uniform. (A good chance to see if it still fits!) Watch Mr C's Assembly on Seesaw, share a picture and donate £2 to

www.iustgiving.com/crowdfunding/school-uniform-day

'Helping our local NHS and Care Homes'

June on Seesaw

On Monday we start back to home-schooling on seesaw. As always we hope that our activities are enjoyable, provide learning opportunities and offer some structure to your day.

They are not compulsory; we are aware that everyone's circumstances are very different.

Teachers are not keeping a checklist on who has completed what. So, if you have had a busy day or the sun is shining, feel free to take a break! We still have a few iPads that can be given out to anyone who is 'struggling' with technology.

Outdoor Space

We continue to work on our outdoor areas so that we can have lots of open spaces for our pupils to play and learn in September.

The Welly Woods is taking shape and our newly appointed play co-ordinator, Mrs Murphy, has fantastic plans on how this space can be utilised.

Thank you to all those who have offered resources.

We would still like to source:

- Cable drum 1 large, 2 small.
- Used car tyres, for building and playing.
- Planks of wood – Smooth, for making balances and bridges.
- Wooden fruit boxes – to make seats.

We hope that if restrictions ease we can have a few parents up to school to help add the finishing touches.

Competition Time

After the success of the 'RRS Sir David Attenborough' formerly known as Boaty Macboatface.

We are running our own competition to name our fabulous new Outdoor Classroom in the Welly Woods. Leave a comment on Facebook, send a message via seesaw or email your idea for a name, we will choose our top 3 and put it to a public vote!

Answer Mystery Staff Member

Last week's mystery staff member; who had completed a marathon, has a metal plate in their arm, loves travel books and had a three legged dog was.....
Mr Cleland.
