There will be a separate rota sent out to cover the Christmas schedule when the time comes		

Please note that each serving week runs from Mon-Sun inclusive. Your child will serve during school on a Thursday morning and the same group will serve on the following Sunday morning. If there are any anniversaries, weddings or funerals that occur within that time frame, your child's group may be requested to assist.

If this is the case, we'll be in touch. If your child is unable to make it for whatever reason, it is up to him/her to organise a replacement to ensure the full quota is met on the altar. Thank you for your co-operation with this matter.
