Life in all its Fullness

14th July 2020

Dear

What a way to end your journey at Holly Hill!

I am sorry we did not get to say our tearful goodbyes on the last day of term. My hope is that inside you will carry our values and continue to use them when you need a little extra strength in life.

You have all shared your gifts with us during your time at Holly Hill, thank you and please remember how special each and every one of you are. You are all amazing young people who will go on to make good choices and good lives for you and your family. I am immensely proud of all that you are and all that you have achieved during your time here. Some of you will have been with us for 4 years! Wow how you have grown up!!

Be proud; be bold; use your voice to challenge bad things and change things for the better. Be my Gentle Giants who will make a difference in the world by stilling anger and sprinkling love and kindness to those who need it most.

You will always be in my heart now go and do great stuff at big school!

Love Miss T
