Life in all its Fullness

15th October 2020

Dear Parents

One more week to go until the end of this half term. It's been a long one but one that has been blessed with no cases of Corona in school.

In the spirit of Respect, Kindness, Love, Patience, Tolerance and Hope; thank you to everyone who has helped in keeping everyone safe whilst on the school site by wearing a mask (unless exempt) and adhering to social distancing on our one-way system. FYI I have given out over 200 masks. Thank you to families who have donated boxes for the benefit of all, I know we are all trying hard to adapt to the new way of things. If anyone else feels they can donate a box of masks, I would greatly appreciate it.

A couple of reminders:

I ask that only 1 adult pick up so that we have only those necessary on site. Could I please ask that if you have older children from the high school, that they wait outside the gates. There is no need for them to be walking through the site unless they are nominated to pick up.

It is also really important that you keep all your children with you when on site. We keep the children separate from other year groups all day. Please don't let them play in the grounds at the end of the day. During the school day they have a designated play space to reduce the small chance of cross contamination.

My absolute aim is to keep school fully open so I will consider any measures necessary to reduce the spread of Corona. I hope that you can appreciate the weight of responsibility I feel to keep everyone safe. To further improve safety by easing the flow on site and to enable those of you who have children at Reaside or other schools, we are going to change the drop off and pick up times slightly from **Monday 19th October**.
