Reception Baseline Assessment

September 2021

Dear Parents and Carers

It has been a wonderful week in school! We have thoroughly loved getting to know your child and we will continue to build on this in the coming months and years. I am writing to inform you that from next week and over the next 6 weeks all Reception aged children will take part in a teacher-led assessment called the Reception Baseline. This is a national assessment and is taking place in all schools from this September.

The assessment is not a test and the children will take part in practical activities that are fun to complete. Many of the children will simply think that they are completing some learning with a grown up. The results are recorded and sent to the Government. This data is will be used to measure the progress of children at the end of Year 6.

Attached is an information sheet about the Baseline and our school website has lots of information, should you wish to find out more. Please look for the Reception Baseline tab in the information tab along the top of the website.

Should you have any further question please get in touch with me and I will gladly answer any questions you have.

Kind regards,

Mr M Carr
Deputy Head Teacher
EYFS Leader
