# Reading

At Holly Hill, we are working hard to instil a love of reading in all our children.

Reading promotes achievement in all subjects, not just English. Children who are good readers tend to achieve better across the curriculum.

As a school we would like you, as parents, to support this reading journey and take time each day to read with your child.

## **Why is reading so important?**

**Reading improves concentration.** Children have to focus on the story when they are reading. If they read often, they will develop the skills to focus on longer activities.

**Reading teaches children about the world around them.** Through reading a variety of books children learn about people, places, and events outside of their own experience.

**Reading improves vocabulary and language skills.** Children learn new words as they read. They learn how to use words and other language features effectively in their writing and speaking.

**Reading improves writing.** As children read, they learn more about sentence structure, grammar and punctuation. They can use the new vocabulary that they learn in their own writing to make it more interesting and sophisticated.

**Reading improves life chances and increases opportunities.** It has been proven children who can read well go on to achieve higher GCSE results and continue to study at college and/ or university more often.

## **Ways you can support and help improve your child's reading:**

- ☐ All children need to read for at least 10-15 minutes every day. You can read other books that you may have at home, or from the library, in addition to school reading books.
- ☐ Ask your child to read aloud to you, ask them questions about the text and use a dictionary to look up any words they don't understand.
- ☐ Speak to your child about the book they are reading and ask questions to check their understanding.
- ☐ Encourage your child to re-read their school reading book several times during the week. This allows them to become more fluent as they begin to recognise more words as soon as they see them.
- ☐ Model reading aloud to your child so they can hear fluent reading with lots of expression.
- ☐ Ensure that your child's book is returned to school so it can be changed regularly.

All children should have a book bag. Please make sure that your child's **book and book bag is in school everyday.**
