Fathers engagement project

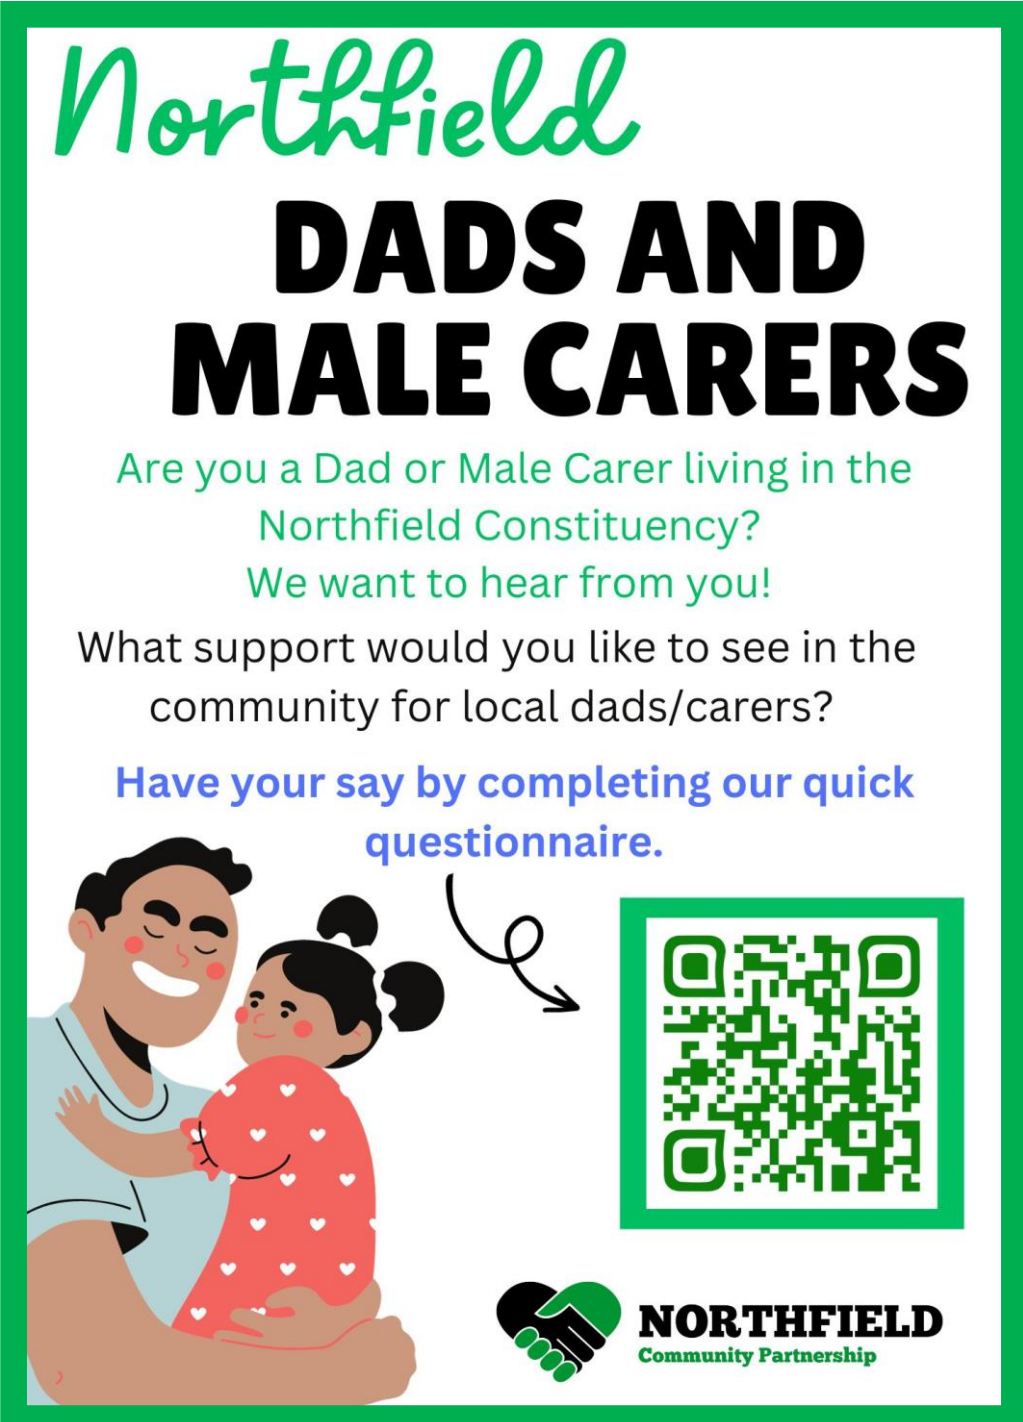

We have started to reach out to local **Dads and Male Carers** to see what they would like to see in the community and what support they would like from the new Family Hubs offer and Early Help.

We've started with a quick questionnaire. Could you please share this with any Dads you are working with or parents at your schools.

I have attached the poster which has a QR code that will take you straight to the form when scanned with a mobile. Alternatively, here is the **link to the questionnaire** -

<https://forms.gle/HJM4Xtc7yrKzsriH9>

In the near future we also hope to put on some events for Dads and their children which we will also share with you.

DADS AND MALE CARERS

Are you a Dad or Male Carer living in the Northfield Constituency?
We want to hear from you!

What support would you like to see in the community for local dads/carers?

Have your say by completing our quick questionnaire.

Northfield Dads / Male Carers Community Group

After gathering information and speaking to local dads we felt that there was a lack of support in our area. When asked what support they would like they said online. We have now created a Facebook group where dads/male carers can join and support each other.

We will be monitoring this page and sharing any information, support and events that may benefit them.
