

PlaySense

Jordanstown

AFTER
SCHOOL
SESSIONS

UP TO 12
YEARS
OLD

DURING
HOLIDAY
PERIODS

PlaySense is a partnership between Sense and Jordanstown School and funded through the Bright Start initiative which provides an out of school service. We primarily support school age children up to 12 years who have additional needs, communication difficulties and complex needs both after school and during holiday periods.

The service we provide is child led which encourages and empowers children to explore new activities and enjoy new experiences in a safe and stimulating environment both indoors and outside. Our environment is bright, welcoming and safe with an array of specialised equipment to provide sensory stimulation and enable each child to reach their full potential through play.
