A Thuismitheoirí:

We would like to issue a timely reminder regarding internet safety. It is vital that you are fully aware of your child's on-line life and have set up the appropriate parental controls on all digital devices at home. Full guidance on safeguarding children on-line and how to set up parental controls can be found on the NSPCC Website:

www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/

We would also like to draw your attention to the recent news report from the BBC, which also gives advice on how to ensure that your child is safe on-line:

<https://www.bbc.co.uk/news/uk-northern-ireland-47359623>

Please take the time to visit these sites and ensure that you take every precaution to ensure that your child is completely safe when on-line.

Le meas,
Conor
