

We need YOUR help!

Dear Parents/ Guardians,

We are excited to share that we are launching 'Operation Transformation'-a project focused on further developing and enriching our already fantastic outdoor play area for Primary 1 and 2 children.

Outdoor play is an important part of the curriculum in the Foundation Stage and supports our play-based learning approach, helping children develop creativity, confidence and key skills.

The children use the space so well and we'd love to add some new resources and elements that can spark creativity, encourage teamwork and support physical development through play. We aim to create an outdoor environment that continues to inspire joy, curiosity and imagination for every child.

To help us extend the children's play opportunities, we would be so grateful for donations of any of the following items:

| | | |
|---|--|--|
| <p>Loose Parts: Pipes, tubes, crates, cable reels Natural materials such as pebbles, shells, wooden offcuts Fabric pieces, scarves, old curtains Ribbon Corks Plastic bottle lids</p> | <p>Construction Area: Car tyres, pre-owned toy vehicles, buckets, spades, wooden bricks/blocks</p> | <p>Mud Kitchen: Saucepans Kitchen utensils Pots Baking trays Muffin tins Clean spray bottles</p> |
