

St. Francis of Assisi Eco Code

We will try our best to **walk to school** and take part in **regular exercise**.

We will **reuse, reduce and recycle** waste by using scrap paper trays, refillable water bottles and avoid single use plastic.

WE will try to **save water and energy** by turning off lights, radiators and taps when they are not in use.

We will **respect and take care** of all living things on our school grounds.

We will **respect and take care** of our school grounds and follow our School Conduct Code

We will make **healthy food choices** by eating healthy food and drinking lots of **water**.

We will **dispose of litter** carefully by using paper and plastic recycling bins.
