## Who are The Lime Trees?

### Bio

The Lime Trees story is rooted in helping and supporting each individual family. Our aim is to deliver a service that we, as parents, would be proud to use. Putting parents and families first, we realise that flexibility of childcare is essential for meeting the needs of modern family life. We allow parents to manage the care of their children around their schedule and not the other way around.

We have consistently worked closely with parents and schools to ensure we deliver an outstanding service at every point. Due to this we have grown to become one of the largest childcare providers in Nottinghamshire meeting the needs of local communities across 20 sites. By going the extra mile, The Lime Trees have received 'Outstanding' grades from Ofsted and have been recognised as having "developed outstanding relationships with the school. The highly effective two-way exchange of information ensures all the children's needs are fully identified and met".

We strive to upkeep our outstanding levels of service whilst being one of the most affordable childcare providers in Nottinghamshire. Our nurseries, pre-schools, breakfast, after school and holiday clubs are there to support the children and provide them a safe space where they can grow, flourish and develop as individuals. Combined with fantastic, varied activities to spark children's curiosity and engagement, children love their time in our clubs.

### Values

As a family-first business, our aims are simple: we support the community and families in it to make sure we're contributing at all levels, while giving children a brilliant platform on which to build their education. Here are some of our key values that influence how we work:

- **Enrich**, the lives we touch are at the heart of everything we do.
- **Play**, we bring moments of infectious laughter to create happy memories.
- **Invest**, people are **always** valued over profit.
- **Outstanding**, improving today for an even better tomorrow.
- **Extra Mile**, where others would stop, we do a little bit more.
- **Transparent**, we hold our hands up when things are not right.

How do I register my child/children?

Before you can book on to any club you will need to register your child/children. You can do this by [clicking here](#) or the 'Book Here' button on our website. Here you will be asked to enter all your details and select the sessions you require, whether it be regular or ad hoc places.

This notifies us of how you wish to pay for your childcare. Please remember to log on to your voucher providers website and process the payment.
