### **Autumn Term Governor's Newsletter**

As another Calendar year draws to a close, I'd like to take the opportunity to thank all who have contributed to our school community throughout 2023. Even the smallest of gestures, such as encouraging our pupils with attendance, good behaviour or a positive learning attitude has a huge impact!

For the hard-working staff of Leen Mills, and the excellent efforts from our pupils, their contribution has given us much to celebrate this term! It's great to celebrate the positive attributes of leadership, especially when displayed by our pupils.

It has been wonderful to hear about pupils participating in national competitions and the introduction of the girl's football team. In addition to positive information provided in respect of the good work and positive attitudes of pupils this term.

With such a positive start made by the newest cohort into the school, our foundation pupils will undoubtedly thrive in their time with us.

Thank you to all parents and pupils that came to parents evening and the support you offer for your child's achievements, your continued support with attendance, behaviour and learning is to be commended and to support pupils being the best they can be now and in their future.

The governors have received fantastic feedback regarding a pupil who has supported in raising money for Children in Need by giving up using technology for a week. The initiative started is a fantastic achievement and governors would like to offer thanks for the efforts and contributions made by pupils and parents in the school community in supporting this. In addition, thank you to everyone who has supported at the School Christmas Fair. Your contributions to support the school at the event are very much appreciated, in this difficult time due to the cost of living crisis.

We look forward to the upcoming celebrations that will be taking place in school to celebrate the Christmas period and the Lord's birth and we hope the holiday brings love and joy to every member of our community.

The Governors wish everyone; pupils, staff and parents alike, a restful Christmas, with a focus on looking after yourself and those around you.
