Dear Parents and Carers of Leen Mills Primary School

This morning we were made aware of an unfounded rumour around an alleged safeguarding incident that was alleged to have taken place on the school premises. We would like to reassure you that the alleged incident did not happen and we are working with the relevant authorities/agencies to protect the family against whom the incident is alleged to have occurred, and the reputation of the school. Rumours like this are very distressing for all who are involved.

We would like to strongly reassure you that the school takes safeguarding matters extremely seriously and will rigorously investigate any alleged incident and notify all relevant parties and agencies as part of those investigations. In this instance, no safeguarding incident arose and the school has been subjected to false rumours and accusations which are now being dealt with by the Police.

As always, safeguarding concerns can be reported to school who will deal with them as a matter of urgency. Alternatively you can make a referral yourself to MASH (Multi Agency Safeguarding Hub) on 0300 500 80 80 or, if a child is immediate danger, please call the Police on 999.

Yours,

Mrs Goldson and Mrs Paine
Headteacher and Chair of Governors
