

Dear Parent/Carers

In partnership with the school, the Public Health Nursing Service (Healthy Family Teams) would like to welcome you into your journey through education. We know there may be times throughout your child's development you may want to access information, advice and support provided by your local Healthy Family Team. The Healthy Family Teams across Nottinghamshire work with families who have children 0-19 that live in or attend schools in Nottinghamshire providing Health Visiting and School Nursing advice and interventions.

The Healthy Family Team offer a variety of brief interventions and early support should you need this. We offer advice and support for behaviour, sleep, toileting (day and night), growth, development and healthy lifestyle. If you are unsure if your child is up to date with all their immunisations, please get in touch with your GP surgery who will be able to advise.

**We recommend all children attend opticians and dentist regularly (all appointments are free up to the age of 16 years).**

**If you have any concerns about your child's hearing, please contact your GP.**

There are several ways you can contact the Healthy Family Team, please see the list below.

- Advice Line, telephone 0300 123 5436 Monday-Friday 9am-4:30pm
- Parentline (text messaging service for parents and carers) 07520 619919
