

Dear Parents and carers,

We are delighted to announce that The Lime Trees will be working in partnership with Leen Mills primary school from the beginning of the September term. Launching the wrap around care provision, delivering our After School Club on the school site.

The Lime Trees

The Lime Trees story is rooted in helping and supporting each individual family. Our aim is to deliver a service that we, as parents, would be proud to use. Putting parents and families first, we realise that flexibility of childcare is essential for meeting the needs of modern family life. We allow parents to manage the care of their children around their schedule and not the other way around.

The Lime Trees have grown to become one of the largest childcare providers in Nottinghamshire meeting the needs of local communities across 20 sites and received 'Outstanding' grades from Ofsted.

We provide a flexible service where you can book the sessions that work best for you our online booking system located on our website www.thelimetrees.co.uk. You will need to register your child/children before you are able to make a booking, which will be open from the 7th of June. For more information on how to register, book your place, make a payment and general FAQ's please visit our website or click here to access our '[Parents Guide](#)' doc attached.
