Topic Work

During May, we will be using the themes of *Dinosaurs* and *Minibeasts* to link all the learning from the different areas of the Preschool Curriculum.

We want to say a HUGE thank you for filling the Smartie Tubes with coins. We will let you know how much we raised once we count all the coins! After conversations with the children we decided to order resources to support our learning in Maths. (JAGGO Numberland resources)

The colour of the month is Purple. We will measuring our dinosaur bones to explore the concept of **tall/short.** We will be investigating **BIG** dinosaur footprints and **small** dinosaurs.

Photographs

We are looking forward to our school photographer visiting on Thursday 20th May. He will be taking individual end-of-year photos and also a class photograph.

Please inform your child's teacher before 20th May. if you do NOT want your child to be in the class photograph.

Parent Teacher Conversations

You will receive a Preschool Transition Report in June. The teachers share these transition reports with the receiving Primary 1 school. Mrs Gillespie and Mrs Cunningham will be speaking with you during June about your child's progress in Nursery. WThe children have done so well despite a challenging year.

Sunny days

Hopefully we will have many more sunny days to enjoy! Please apply sunscreen to your children on warm days before coming to Nursery. We have hats to protect the children on sunny days.

Closed toe shoes/trainers with Velcro fastening are great for allowing the children the freedom to run, jump and climb.

No open-toed shoes please for safety reasons.
