

Parent Feedback

We really appreciated you taking the time to fill in the questionnaires. Your replies help us to make sure our provision meets yours and your children's needs.

Thank you!

Plant & Play

The children have been enjoying these sessions on Thursday mornings. They are having fun outdoors and learning so much about the natural world.

Website

The SNS website has been populated with many resources to support home/school partnership and early learning. Photos of the children are also uploaded.

November newsletter

We will help the children to quickly settle back into the nursery routine after the half term holiday.

This month our topic is **People Who Help Us** and that includes you! To help with our theme, talk to your child about people who help them every day and ways they can help others. (*They helped recently with our Harvest Giving Boxes.*)

Our colours this month are **Black** and **Red**.

Our shape is triangle. 

Our concepts are Light/Dark and Over/Under.

NOVEMBER

Events this month

Jump, Jiggle & Jive

Wednesday 3rd Nov.

Plant & Play

Every Thursday

Mr Hullabaloo

Friday 5th Nov.

Fun Dress up Day

held on Pudsey Day/Children in Need

Friday 12th November.

Drumming with Joe.

Monday 22nd. Nov

Pudsey Pyjama

Dress up Day

On Friday 12th Nov.

children can wear their favourite pyjamas or onesies. **(Please wear usual Velcro-fastening school shoes. No slippers please.)** If children do not want to dress up - uniform is fine of course.

Big Bedtime Read

is starting this month!

The children will enjoy taking a bag of lovely books home to share with you.

Check the GRTL tab on the school website for more information about how we manage the **Big Bedtime read** in Shaftesbury Nursery School.

SNS website has resources from the Getting Ready To Learn website.

Have a look at the Rhyme resources too.

Rhymes and Reading are a vital foundation to your young child's learning.

Have fun in November with the Big Bedtime Read.

Home Learning

Should your child need to self isolate - there are play-based resources and suggestions on the SNS website to support Blended Learning.
