21 February 2022

Dear Principals / Leaders

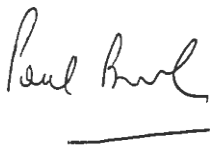

SOLIHULL PARENTING PROGRAMMES

The Public Health Agency (PHA) has prepaid access to a range of online Solihull Parenting Programmes for residents in NI (until October 2022), and want to make parents/carers aware of this resource.

There are a variety of courses starting from pregnancy to teenagers, and we would ask that you share the attached flyer with parents.

Alternatively, you may wish to direct parents to the 'parent tab' on the Getting Ready to Learn website – www.gettingreadytolearn.co.uk/parents, where they can also access this information.

Thank you for your assistance.

PAUL BRUSH
