

Topic Work

During May, we will be using the themes of **Dinosaurs** and **Minibeasts** to link all the learning from the different areas of the Preschool Curriculum.

The colour of the month is **Purple**. We will be measuring our dinosaur bones to explore the concept of **tall/short**. We will be investigating **BIG** dinosaur footprints and **small** dinosaurs.

Getting Ready to Learn: We hope your child is enjoying taking home our **GRTL** Big Bedtime Read bookbags. Just a reminder – that we have a **Home Learning** tab and a **Getting Ready To Learn** tab on the school website.

Photographs

We are looking forward to our school photographer visiting on **Tuesday 20th May**. He will be taking individual end-of-year photos and also a class photograph.

Please inform your child's teacher before 20th May if you do NOT want your child to be in the class photograph.

Sunny Days

Hopefully we will have many more sunny days to enjoy! **Please apply sunscreen to your child on warm days before coming to Nursery.** We have hats to protect the children on sunny days. **Closed toe shoes/trainers with Velcro fastening** are great for allowing the children the freedom & safety to run, jump and climb. **Children may wear shorts with their usual nursery blue or green t-shirt if they prefer.**

No open-toed shoes please for safety reasons.

May Fundraiser

We are giving the children a packet of smarties to enjoy! This is our annual fundraiser, and the money will be used to buy play resources for the classrooms. Please ask friends & family to help fill the tube with £1 coins or 20p's. Just whatever you can spare....we are so grateful. Thanks so much for your help.
