Contact

Text messaging service is a speedy way of making contact. This is usually checked each morning and afternoon. You can also **call** the school office between 8.15 and 8.45 each morning.

Our secretary Mrs. Officer can take **calls** in the office from 1pm each day. An **answer phone** will be on at all other times should you need to leave a message. We will get back to you after teaching time.

Please **talk with us** on any matters that concern you. We will be happy to help.

Little Accidents

We will record any little accidents as they occur. A copy of this will always be put in your child's home drawer. Please speak with your child's teacher for more information if you need to as it may occasionally not be possible to catch you at the end of the day.
