

Although February is our shortest month in Nursery, we have lots to learn! Our topic is **Fairytales**. We will also be learning about **Emotions**. We will be talking about how to recognise different emotions in others and how to regulate our own emotions. (*You can print an EMOTIONS 'cut & stick' activity on the Home Learning tab of the website*)

Our colour for this month is: **Pink**.

Our shape is: heart.

Our concepts: In/Out Inside/Outside

The word 'February' is written in a large, bubbly, pink-to-purple gradient font. It is set against a white scroll background with a black outline and a small grey circle at the top right corner.

Dress up day - On **Thursday 5th Feb.** we will be having a **PRINCESS & SUPERHERO dress-up day** to raise money for the charity **Pretty N Pink.org**

We will enjoy dancing and party food! On *PRINCESS & SUPERHERO* day -the children can come into school dressed as superheroes or as characters from fairy-tales e.g. princesses, fairies etc. No swords or weapons please!!

The children will be going outside to play so please send your child in a pair of sensible shoes. (*Speak to Mrs Gillespie or your child's teacher if you need a costume. No need to buy one.*)

We also understand that some children prefer not to dress up. This is no problem, and we are happy for them to attend in their school uniform.

February diary dates.

Monday 2nd Jo Jingles

Thursday 5th Superhero & Princess dress-up day for Charity. (**Pretty N Pink - breast cancer charity**)
