

## Charlie's Diary

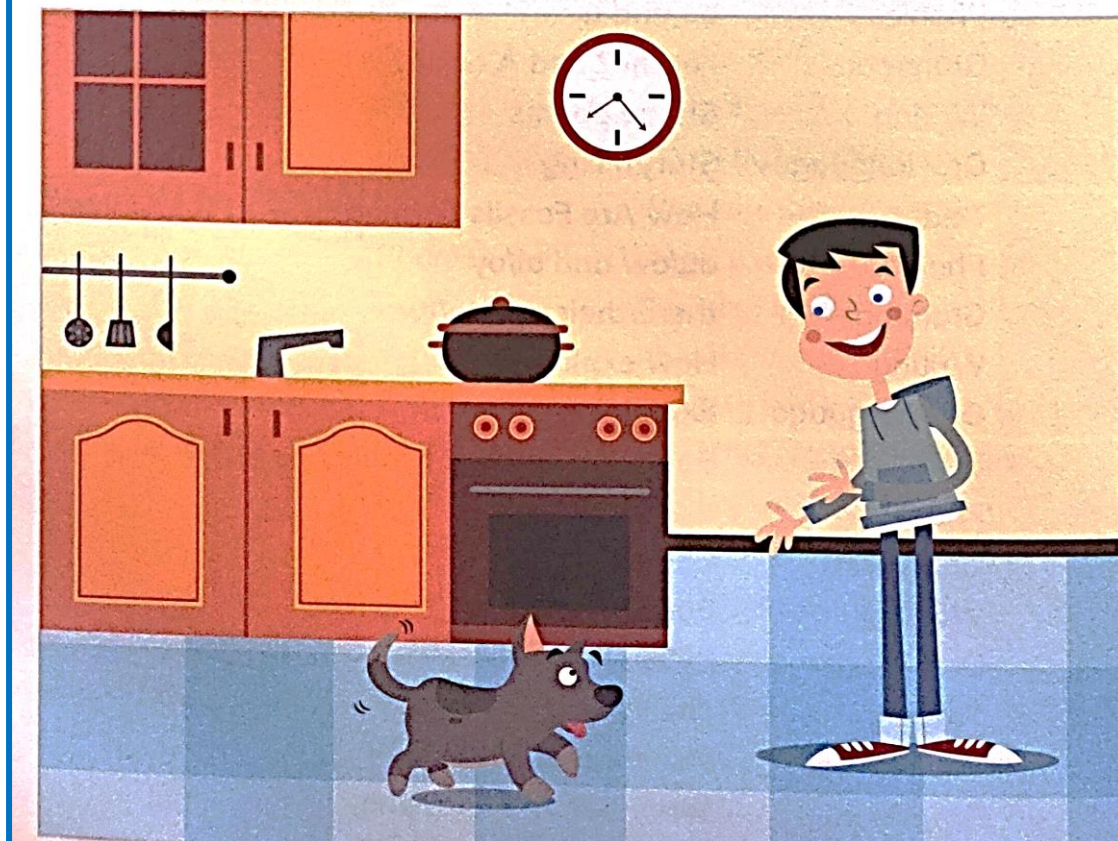

Saturday, 3 March

Today we went to Ennis to get a new puppy.  
Dad said that I could help choose.

When we went in, the puppies were asleep in their basket.  
Suddenly, one of them opened her eyes.  
She looked right at me. Her tail started wagging.  
She came trotting up and licked my hand.  
Dad said the puppy liked me.  
I liked the puppy too!

"Please can we have this one, Dad?" I asked.  
Dad thought for a while. Finally, he said yes!

Dad said I could name the puppy.  
I picked her up for a cuddle.  
"Her fur is grey," I said. "Let's call her Shadow."  
I love my new puppy, Shadow!
