Set 3  
Book 4

Each year, their family has a stand at the local Farmers' Market. "Come buy these yummy veggies!" Jean says.

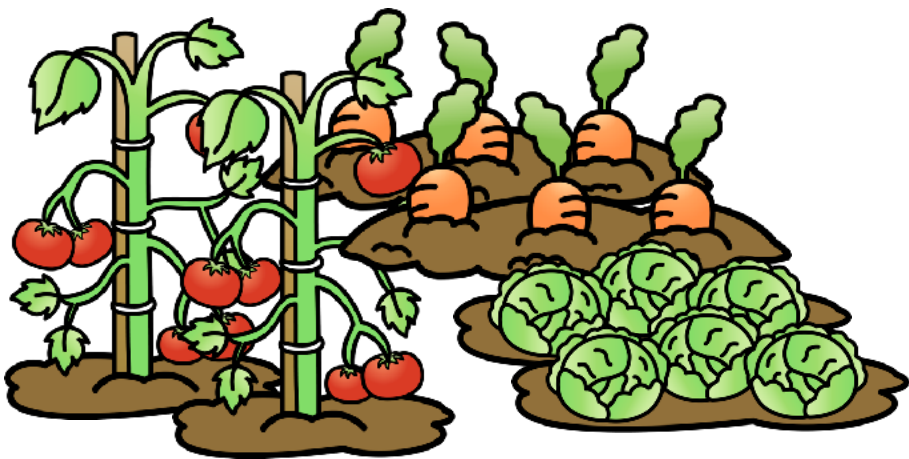

Dean and his family have a neat garden. Every year, they plant many different fruits and vegetables.

"Our sprouts will grow," she says.  
"There will be lots and lots of  
green veggies!"

Bree helps by planting some seeds.  
"I really love to eat tomatoes!" she  
says. "Can we plant more?"

Soon, their neat garden is filled with  
tomatoes, carrots, lettuce, beans, and  
other veggies.

John plants each bag of seeds.  
"Carrots are my favorite!" he says.
