Tam, Rocky, and their friends
were so glad. The play went well.
It was a great night!

Tam and Rocky were very happy.
They were going to be in the
spring play at school.

The lights came on and the spring play started. It was nice to see everyone in bright colors on the stage.

8

Rocky would be a knight in the play. Tam would be a princess. He would fight the dragon to save her. Then, he would bring her a sparkling ring.

5

Rocky fought the dragon with all his might! "I will win this fight!" he yelled. "I will give this ring to the princess!"

10

Tam's friend, Kate, was busy. "I am making the dragon costume for the play," she said. Kate wanted it to fly across the stage.

The End

Their friends, Nate and Maiya, were in the play, too. "I can't wait!" said Nate.

Tam's singing was just right, too. After Rocky won his fight with the dragon, he came to bring Tam the ring.

This was Rocky's first play. "I am so excited," he told Tam. "I have always wanted to act in a play. Being the knight is really fun!"

6

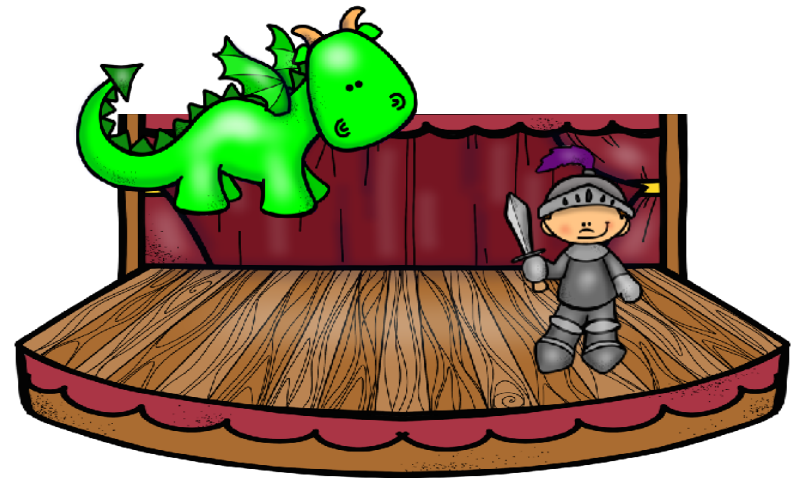

Finally, the night of the play was here. Tam was frightened. What if her singing was not right? What if Rocky did not fight the dragon well?

7

Tam would be singing in the play. "I want my song to be just right," she said. So, Tam sang a lot to get ready for opening night.

4

It was time for Kate's dragon to fly over the stage. It worked! Kate was so proud to see it flying.
