At the edge of a wintry wood,  
a large house stood silent and still.

The silvery light of the moon reflected  
off the fresh white snow below.

A warm golden glow attracted a rat,  
who was scurrying in the frozen leaves.

One little light was shining out in the night and  
a rat was dreaming of a warm cosy fire.

The glow shone more brightly and attracted a hare, who was snuffling in some crunchy twigs.

Two little lights were shining out in the night and a rat and a hare were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a fox, who was prowling in the powdery snow.

Three little lights were shining out in the night and a rat, a hare and a fox were dreaming of a warm cosy fire.

The glow shone more brightly and attracted an owl, who was gliding between the glistening trees.

Four little lights were shining out in the night and a rat, a hare, a fox and an owl were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a mole, who was digging in the icy soil.

Five little lights were shining out in the night and a rat, a hare, a fox, an owl and a mole were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a robin, who was darting between lacy snowflakes.

Six little lights were shining out in the night, and a rat, a hare, a fox, an owl, a mole and a robin were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a deer, who was sheltering under the bare branches of an old oak tree.

Seven little lights were shining out in the night, and a rat, a hare, a fox, an owl, a mole, a robin and a deer were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a badger, who was foraging in the frosty bushes.

Eight little lights were shining out in the night, and a rat, a hare, a fox, an owl, a mole, a robin, a deer and a badger were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a stoat, who was scampering through a hollow log.

Nine little lights were shining out in the night and a rat, a hare, a fox, an owl, a mole, a robin, a deer, a badger and a stoat were dreaming of a warm cosy fire.

The glow shone more brightly and attracted a cat, who was returning to its toasty bed across the thick blanket of snow.

Ten little lights were shining out in the night and a cat was looking back at a rat, a hare, a fox, an owl, a mole, a robin, a deer, a badger and a stoat, who were all dreaming of a warm cosy fire.

Ten little lights were shining out in the night...  
and ten little friends were snuggled up very tight.

# The woodland creatures have spotted something inviting across the snow.

“One little light was shining out in the night...”

Wrap up warm and count along with the
