

A pháistí agus a thuismitheoirí,

Tá muid anois ag deireadh na míosa, mí Aibreáin beagnach críochnaithe agus tá sé dochreidte nach raibh muid ar scoil le chéile le tamall anuas. Sin ráite bhí páistí Rang 3 ag obair go crua sa bhaile. Is iomaí ríomhphost a fuair mé ó thuistí agus cé go bhfuil saol s'agaibhse athraithe go huile is go hiomlán na laethanta seo, tá moladh tuillte agaibh mar gheall ar an méid atá sibh a dhéanamh sa bhaile. Is breá liom an obair agus na pictiúir a fheiceáil. Bhain 19 ó R3 an sprioc amach ar Sumdog, agus cuirfidh mé na torthaí ó Nessy suas chomh luath agus atá siad agam. Lean ar aghaidh leis an deá-iarracht seo!

It's unbelievable to think as we near the end of April, we have been away from school for well over a month. I know some of you are missing your friends, but continue to work extremely hard at home in preparation for returning to school. I am delighted with the excellent efforts and this week another 19 stars are to be given out for reaching the Sumdog target. This is important as it will help you continually revise and sharpen your mental maths skills; you will also be given activities which compliment our weekly work so keep this up. I will post the number of stars for Nessy as soon as they come through. Remember 60 minutes for a star, 100 minutes for a shout out for Mr Breen!

An tseachtain seo tá Tasice Tuisceanna, Fónaic na Gaeilge, léitheoireacht ar Google Classroom, Mata, Béarla & Teagasc Criostaí ar an liosta de na rudaí atá le déanamh.

This week you will find two levels of daily Maths worksheets available, and two levels of English Comprehension also. Please choose the one which best suits your child's ability and complete only one. If you need to access more work, I
