

Unit

1

Reading

A Ready to read

Let's **predict**! When we make predictions, we start to think about what might happen in a story. Danny uses the title of the story and the illustrations to help him make good predictions. Can you predict what this story might be about?

This Teacher Is a Rock Star!

Last year in school I had a really cool teacher. His name was Mr Murphy. Mr Murphy could draw just about anything. Once he drew a picture of our **principal** riding a bicycle with a monkey on his back.

Later he made a big **poster** of his own face. He gave himself crazy purple hair. The poster said, 'This teacher is a Rock Star!' He put the poster on our door for everyone to see.

On the last day of **school**, Mr Murphy's dog came to school. The dog's name was Santa Paws. Mr Murphy put yellow sticky notes on Santa Paws. Santa Paws took the notes to other classes.

I am in First Class now. I wonder what special skill my new **teacher** has. I wonder if she has any pets. I think I will ask her now.

Lá 1.

Comprehension
