

Unit 8

The Injection

The doctor came to the school.

“He will give you an injection,” said Teacher.

“Will it hurt?” asked Amy.

“Just a little bit,” said Teacher.

Amy was not so sure.

“Is the needle very big?” asked Amy.

“No,” said Teacher. “The needle is very small.”

Amy was not so sure.

Amy went to see the doctor. The doctor showed her the needle. It was small. Then the doctor gave Amy the injection in her arm.

“That did not hurt!” said Amy.

“Of course not,” laughed the doctor.
