

# The Car Garage

- Look at the picture. Talk about what is going on.
- What things are being fixed in the picture? What do you call the place where these things are fixed?
- Have you ever been to a place like this before?
- What things can go wrong with a car or motorbike? Explain your answer.
- What do you call the people who mend or repair vehicles? Hint: Their job begins with 'm'.
- What type of clothes might these people wear? Why do they wear special clothes like this?
- What tools might be used to repair vehicles?
- Why might the cars need to be lifted up to be fixed? Explain your answer.
- Do you know anybody who works in a garage like this? If you could ask them five questions about their job, what would they be?
- People don't go to a garage when they need to repair their bodies. Where do they go and who helps them there?
- Pets don't go to a garage when they need to repair their bodies. Where do they go and who helps them there?
