

# Baking

- Look at the picture. Talk about what is going on.
- Who is in the picture and where are they working?
- What type of food are they making? When might this food be eaten, do you think?
- What cooking utensils have they used to make the cookies?
- Where will they put the cookies to make them cook? What important things will they have to remember when they put them there?
- A kitchen can be a dangerous place if people do not take care. What rules do children need to follow when they are working in the kitchen?
- Have you ever baked anything at home or in school?  
If so, describe what you baked.
- How do you think these cookies will taste? What other food or drinks might go well with them? Give reasons for your answer.
- Can you list all the things you would find in a kitchen?
- What special times of the year do people most like to bake for?  
Explain your answer.
