

Weather

Sensory Bottle

You will need:

Cloudy - 3 jumbo white pom-poms, water

Rainy - small blue glass beads, 3 grey /brown pom-poms, water

Snowy - small snowflake shapes, white glitter, water

Sunny - yellow pom-pom, water

Windy - small brown /yellow /orange leaf shapes or sequins, water

5 bottles

Glue gun or strong glue

Method

1. Add the required materials to each bottle.
2. Once all the materials are in the bottle, glue the lid on for safety.
3. These bottles are great for older children too when used as a learning aid about the weather.
