## Clouds

Lie on your back and watch the clouds go by.  
Can you draw some in the space below?

### HANDY TIP

*Hills are a perfect place to watch clouds from.*

### FIELD ACTIVITY

*Can you sketch other things that you can see in the sky or on the horizon?*

What do the clouds look like? Circle the words below.

high in the sky

dark and gloomy

patchy

blanket

white and fluffy

layered

wispy

low down

Do any of the clouds look like objects or people? Write down or draw what you can see.

## Look out for leaves

Why not go on a leaf hunt? You can preserve leaves with PVA glue and stick them in here. You could group your leaves by shape or colour.

**FIELD ACTIVITY**  
*Can you research what type of plant the leaves came from and label their shapes?*

## Bear collage

Can you stick in natural things from the world around you, such as flowers, twigs or leaves to create a bear? Make a shiny bear nose with glue – what could you use for fur?
