

# Here We Go on a Big Bear Hunt

(Sing to the tune of 'Here We Go Round the Mulberry Bush'.)

Here we go on a big bear hunt,  
A big bear hunt, a big bear hunt.  
Here we go on a big bear hunt,  
On a bright and sunny morning!

Here we go through the wavy grass,  
The wavy grass, the wavy grass.  
Here we go through the wavy grass,  
On a bright and sunny morning!

Here we go through the cold river,  
The cold river, the cold river.  
Here we go through the cold river,  
On a bright and sunny morning!

Here we go through the oozy mud,  
The oozy mud, the oozy mud.  
Here we go through the oozy mud,  
On a bright and sunny morning!

Here we go through the dark forest,  
The dark forest, the dark forest.  
Here we go through the dark forest,  
On a bright and sunny morning!

Here we go through the white snowstorm,  
The white snowstorm, the white snowstorm.  
Here we go through the white snowstorm,  
On a bright and sunny morning!

Here we go through the gloomy cave,  
The gloomy cave, the gloomy cave.  
Here we go through the gloomy cave,  
On a bright and sunny morning!

In the cave we found a bear,  
We found a bear, we found a bear.  
In the cave we found a bear,  
On a bright and sunny morning!

Quick, let's run all the way back home,  
The way back home, the way back home.  
Quick, let's run all the way back home,  
On a bright and sunny morning!
