

Jake's First Day

Small World Play Pack

Instructions

1. Laminate the Small World Background and attach it to the back of your large activity tray so that it stands upright.
2. Cut out and laminate the Stick Puppets and attach them to lolly sticks.
3. Divide your large tray into a sea area and a beach area. Position the blue fabric to make the sea and place the tray of water in this area. Pour the sand to make the beach area in your tray.
4. Place the toy ships and boats in the water area. You may wish to add toy sea creatures and crocodiles to the tray of water.
5. Place the 'treasure' in the treasure chest.
6. Make a hole in the sand and bury the treasure chest (or some of the treasure).
7. Stick the twigs with leaves on in the sand to make palm trees.
8. Place the stones and pebbles in the sand to make mountains.

You will need:

Jake's First Day Small World
