

TAFF: Suimiú le deiceanna agus aonaid, le malartú sna haonaid, le freagraí níos lú ná 100

Na Rialacha.

Léigh

Aonaid

Deicheanna

Má tá níos mó na 9 aonad ann – beidh ort malartú a dhéanamh!

Ná déan dearmad ar an deich a mhalartú!

Amharc ar an sampla!

$6 + 8 = 14$ (Ní thig leat 14 aonad a scríobh síos)

Déan MALARTÚ!

Tá 14 déanta as 1 Deich agus 4 Aonad

	D	A			D	A	
	5	6	14		7	6	
+	2	8		+	1	6	
	<u>8 4</u>						

[illegible]

Keep the units directly under units and the

tens directly under tens when writing your answer!

This is a relatively new topic for your child. If he/she is experiencing difficulties you can return to the addition without or exchange, watch the videos attached and/or email me for further advice.
