

Lambs

Tom's class went on a school tour to a farm.

There were lots of animals to see.

Sam fell into some mud. He was filthy!

The farmer let everyone hold some chicks.

They were yellow and fluffy. The goats were lots of fun. They jumped around and everyone laughed.

The cows were as big as cars! Everyone watched the farmer milking the cows.

The best of all the animals were the lambs. They were white, soft and warm, and the farmer let the children pet them. Jill even fed one of the lambs with milk from a baby's bottle.

The children loved the farm. It was so cool!
