Additional resources and guidance will be posted regularly to further support learning.
Home Economics – Nutrition and Food Science	<p>VERY, VERY IMPORTANT: You MUST make sure you cover all of the Year 13 AS work as Year 14 builds upon this (synoptic assessment). You MUST also have covered all work so you have an in-depth knowledge of each topic to assist you in your A2 Research Project coursework (worth 30%).</p> <p>Pupils have hard copies of all resources (notes, past paper questions). Documents/assignments/background reading have been posted on MS Teams to guide them through the remainder of the course and to work collaboratively on essay planning. They can access the Home Economics Fronter room from their MySchool page online and can use the resources there to further support their revision.</p>	Pupils have hard copies of all resources (notes, past paper questions). BTEC Applied ICT	Mrs Hogg's class have received all the necessary materials to continue to work from home. The difficulty here is that over 50% of the class do not have MS Access at home and cannot continue with the practical element. Two practical exams of 5.5 hours supposed to be completed in May for this unit.	Year 14 are finished all work in this course and are due to hand in the final piece of coursework at the end of this week. Once this is completed, they are finished their entire course. Exam completed in January and no-one needs to re-sit the exam.
