Welcome Back to all our pupils!

Everyone has settled in very well, particularly our lovely new Primary 1s. It is hard to believe a month is over already!

We admire our children's and staff's resilience over the past few years with all the challenges that we have experienced. We thank our parents for all their continued support.

Covid Information

It is important as a school community that we all remain vigilant to the transmission of Covid 19. If your child has symptoms please book a PCR test, **even if an earlier one was negative**. Your child should self isolate until you receive the result. If your child tests positive please inform the school, self isolate and follow PHA guidance.
